

United States of America
Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA1524NM

This certificate, issued to Univair Aircraft Corp.
Rt. 3, Box 59
Aurora, Colorado 80011

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product — Type Certificate Number: 1A6
Make: Piper
Model: PA-22, PA-22S

Description of Type Design Change:

Installation of stamped aluminum wing ribs in accordance with Univair's "Application Chart Univair Replacement Rib Cross Reference to Piper Original Rib," FAA approved October 25, 1982 or subsequent FAA approved revision.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 20, 1982

Date issued:

Date of issuance: October 25, 1982

Date amended:

By direction of the Administrator
